Committee and Coordinators - Volunteer opportunities for families

1. Golf - Yes, we would like to do this again this upcoming year, coach has a date
2. Basketball tournament - Yes, we want to do this again.
3. Advertising / Signs - have not yet received - need to speak with Mario
4. Concession Stand - lack of volunteers is terrible this year, just not getting the help. We have also not been receiving donations as we have in the past. So far we have only received 2 parent checks, 2 donations and a few have donated time. We have to figure out a way to get more people involved. Wendy had a parent tell her that they didn't feel they needed to donate time/money because their kid didn't play varsity. Coach will send
