All in Favor

Treasurer Update

Balance in account \$8,447.46

Recent expense:

coaches clinic, was a little more expensive than past years but only doing 1 clinic versus 2 like past years as well

BSN bill still outstanding, just want to make sure we feel we have everything. Going forward all orders we place will come directly to us and not get mixed in with AD office expenses. Did just receive a shipment of sweatshirts that were to come in November.

We get rewards to use towards equipment for using BSN so it is good to use them but if we continue to feel the service is not sufficient we can look at going back to previous vendors. The entire district is using BSN

Funds are down as we have lost the Basketball tournament which was a large source of income for us. Hoping to bring in about \$20,000 for golf tournament. Card sales will be about \$12,000

\*\*Reminder we do not have the grand prize as normal for the golf tournament as we can only ask for that discount every other year. So can have in 2023. Will need something though for this year

Still looking for sponsors for the golf tournament. Registrations are coming in.

Anne will continue to post on Facebook reminders

Steve motions to pay BSN bill

Coaches Update:

Will have another meeting with the kids but have seen an improvement in attendance to weight room.  
SDSU trip will more than likely take place (Fathers Day weekend)

Parade application has been sent in

Parade June 24<sup>th</sup>

Be there at 5 to line up, parade starts at 6

Need to purchase candy to hand out

Will have left over can coolers from golf outing we can use to, and maybe any other old items in the shed that we need to get rid of

Matt motions to adjourn
