Treasurer Review

Today's bank balance \$20,200

Paul has about \$1700 to be deposited

Future purchases we would like to make – Huddle camera estimate of \$6000 (spring 2023)

Anne –Coach Wessel reached out about how to help with the banquet as a way to not pay the \$50 player fee. Do not feel that Capplan or Wessel should have to pay even though they have boys on the team. Capplan did pay and all agree to give him his money back. Being coaches they dedicate plenty of time to the program

Banquet will be November 30th

Will look at previous year flyer for pricing per parent but believe it was \$30 each

Need photos from Stacie of kids and parents

Kelly will order and pick up 2 cakes from Costco

Anne update and send coach the flyer to send out

Anne – gifts for managers & ball boy \$25-\$30 each person

Cleaning out of the stand

Kelly will check with dance team if they want any of the pop

Matt will take all water and gatorade

Coaches update

Tentative on the basketball tournament in May or June it will not be as much as a fundraiser as we had in the past

Golf tournament on June 9th – maybe add to our website and Facebook so people see it now

Grupa took players photos and should still be available online to purchase for anyone that didn't get the order form

Next meeting Feb 20th

Anne motions to adjourn
